

Andrew Jerome Singleton

Andrew was born on the east side of Baltimore, but moved to Sandtown when he was 4 years old. He has been living on Presstman Street with his family for eight years now. You can often find him hanging out with friends or playing street football on the corner of Presstman and Stricker Streets.

Andrew attends Gilmor Elementary School and is in Ms. Goshay's class. His favorite subject in school is math. However, his real passion is sports. You can catch him in the fall as a running back on the football team. He also enjoys baseball, where he is first baseman.

Another thing Andrew likes is food. His favorites are pizza, chicken and shrimp, but like most young men his age he likes to eat almost anything!

If you were to spend much time with Andrew, it would not be long before he would ask to borrow a penny to perform one of his magic tricks (this one he actually picked up from his friend Kevin). Or if you are really lucky, and happened to have a potato on hand, you would be in for a real treat!

So how, you might ask, did Andrew get connected with New Song Community Church (NSCC)? He has been attending NSCC since he was 6 years old. All of his friends were at NSCC so he thought it would be a good place to go. He visited – and has been coming for nearly 6 years! He enjoys helping the teachers with children's church. He is also a big fan of Pastor Thurman's preaching.

Andrew has been a member of the children's choir "Sandtown" for two years now. If you attend a concert, you may get to hear him sing his solo in the song "Destiny." For Andrew, one of the best things about being in the choir is traveling around doing concerts. He most enjoys when the choir goes to North Bay.

When asked if there is anyone he admires or looks up to, without hesitation "Mr. Ryan (Diener)" was Andrew's emphatic response! He would like to be the kind of man that Ryan is when he grows up. Though career wise, he plans to be a professional football player.

Looking ahead to summer vacation, Andrew is really looking forward to Ms. Mary taking him and the guys swimming. It is one of his favorite things to do in the summertime!

And one last important detail about Andrew – his birthday is tomorrow (April 17)!
